

The Wakulla County School System is undergoing an internal review of educational practices in order to strengthen the services that we provide to your children. To complete this process, it is critical that we have input from as many parents as possible. We need at least 1000 responses. We have reopened our Parent Survey to seek this input. Please log on to <http://www.advanced.org/survey/public/0227737> and complete the survey. You may also access the survey on the district web site at <http://wakulla.schooldesk.net/>. Paper surveys are available at each school. Thank you for helping us serve your children.
